

# WADS 2019 Excursion Information

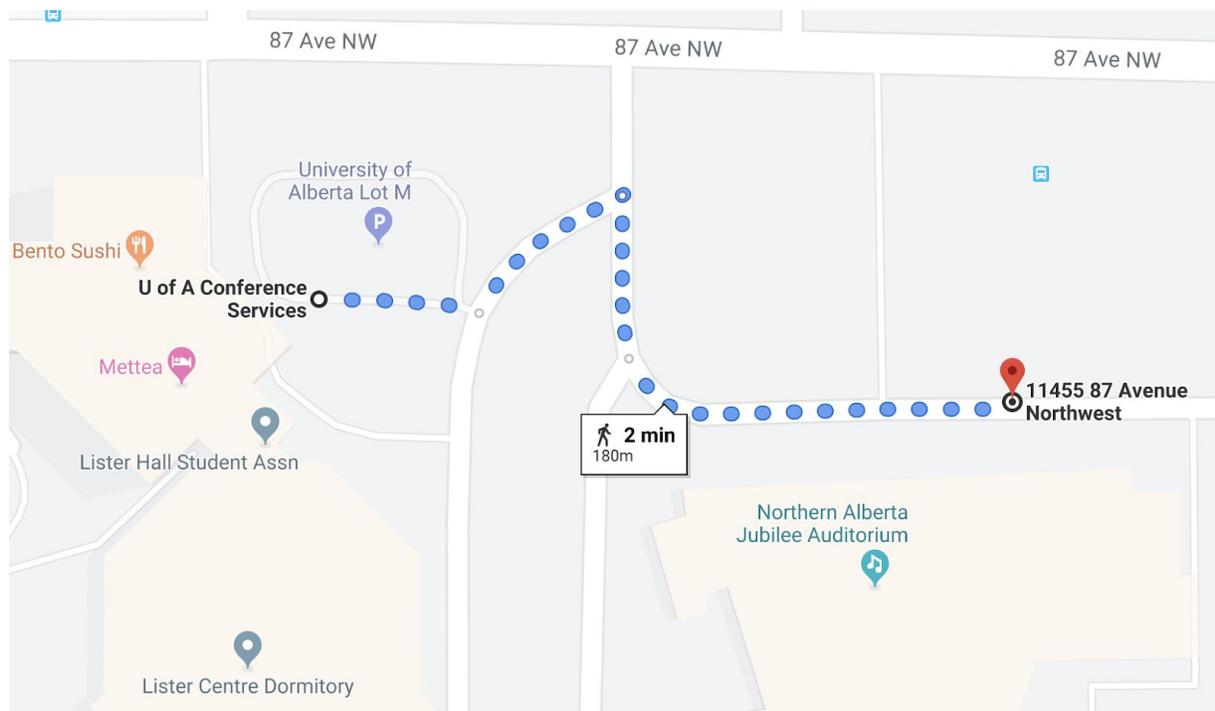

The excursion is a visit to the University of Alberta Botanic Garden which includes an on-site banquet.

A map of the garden can be found here and is printed along with this document.

We will begin boarding buses immediately following the last session at 4:30 at the Jubilee Auditorium, which is the building immediately to the East of Lister Conference Centre.

This is a leisurely excursion, there is no guided tour. If you want suggestions, I recommend the Aga Khan Garden (new in 2018), the Kurimoto Japanese Garden, and the Indoor Showhouses including the Tropical House which includes butterflies from around the world.

The banquet begins at 6:30pm at the Pine Pavilion, which is location 48 near the NE corner of the map. Though, it is ok if you arrive a bit late if you are enjoying the garden. There is no formal program at the banquet. The bar is open as early as 5pm if you want a drink before the meal.

We will board the buses around 8:30pm to return to the University of Alberta.
