Hi everyone

The course outline, the software requirements and initial material to study are posted on the course's website at:

https://people.scs.carleton.ca/~jeanpier/Fall2021/

We will use Zoom outside of Brightspace for the very first lecture. The link is:

https://carleton-ca.zoom.us/j/94067492289

It is imperative you have access to Brightspace before the second lecture.
