
Problem Set 1

August 19, 2021

1 Problems

This sentence requires citation (**Reference1**). This sentence requires multiple citations to imply that it is better supported (**Reference2**; **Reference3**). Finally, when conducting an appeal to authority, it can be useful to cite a reference in-text, much like **Reference1** do quite a bit. Oh, and make sure to check out the bear in Figure 1.
